Applicants' election of Species A, claims 1-24, 26, 49-68 and 71, filed April 5, 2006 has been entered. However, as presented in the restriction requirement mailed March 3, 2006, the application contains claims directed to the following patentably distinct species:

Species A: a resin pre-impregnated fiber reinforced molding process;

Species B: a vacuum infusion molding process

It appears that claims 49-68 and 71 are drawn to non-elected Species B, because said claims include a vacuum infusion molding process. Applicant is advised that a reply to an election requirement must include an identification of the species that is elected consonant with this requirement, and a listing of all claims readable thereon, including any claims subsequently added. Since the response is a reply to a NON-FINAL OFFICE ACTION (including a submission for an RCE), and since the response appears to be a bona fide attempt to be a reply (37 CFR 1.135(c)), applicant is given a TIME PERIOD of ONE MONTH from the mailing of this notice within which to re-submit the corrected declaration.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Stefan Staicovici, Ph.D. whose telephone number is (571) 272-1208. The examiner can normally be reached on Monday-Friday 9:30 AM to 6:00 PM. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Christina Johnson, can be reached on (571) 272-1176. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
